JUNE 30th, 2021

EYES2021^{REMOTE} is a unique opportunity to learn from the famous Finnish Early Childhood Education and share the best practices in different countries. In EYES2021^{REMOTE} you will participate in online webinars and workshops. In addition, you will have access to video lectures in advance. The main idea is to stimulate critical thinking and new perspectives by making the familiar strange and provoking questions.

In EYES2021^{REMOTE} the focus is on...

- High-quality ECEC services
- Language-rich environment – supporting children's linguistic identities
- Preschool-school transition – ensuring smooth and safe learning paths for children.

”

I really appreciated your Webinar/Workshop days...thank you for your professional opportunities provided to connect educators from many places in seeing Finnish perspectives on ECE. Finland is such a special place for education, educators, children and families. It's great to know you are doing good work there and sharing out.

WEBINARS

are kept by top Finnish experts. In the presentations, they will focus on two topical themes within Finnish ECE: *Language-rich environment* and *Preschool-School transition*. During the webinar the participants will hear, what principles are seen important considering these themes and how they are implemented in practical level.

Discussions will continue in WORKSHOPS

The participants will be in active interaction with each other and the host. In addition, participants are encouraged to reflect Finnish viewpoints to their own system through joint discussions. *What are the similarities? Or biggest differences? What could be adopted as such? How could we utilize the know-how internationally in a more affective way?*

”

*Thanks you for your wonderful ECE efforts.
So great to connect educators across the globe.*
